Scheduled Presentations include:

- **Population Control and Abortion**
- **Steven Mosher:**

Coercive population control programs have harmed hundreds of thousands of women and families worldwide, and abortion is a key component of these agendas. With rising use of the abortion pill, some strategies have changed, but the end result is still tragic.

- **Dangers Remain - Mary Tillman:**

West Virginia now has an excellent foundation for end-of-life protection. But dangers still exist if out-dated documents are used, and for patients who do not know their rights.

- **Teen Day Camp - Riley and Sadie Keaton** will provide pro-life training for teens, so that they can help build the culture of life that our world so desperately needs.

West Virginians for Life, the state affiliate to the National Right to Life Committee, works in educational, legislative, and political activities to ensure the right to life for unborn children, people with disabilities, and those at the end of life.

We the People

The 2026 West Virginians for Life (WVFL) Convention is being held at Trinity Assembly of God in Fairmont, WV on Saturday, October 4, from 10:00 a.m. - 3:00 p.m. The theme is We the People. Our keynote speaker will be Steven Mosher, president of the Population Research Institute.

Other speakers will include Mary H. Tillman, J.D., the **Legislative Coordinator for the WV Alliance for Ethical Health Care**; and former NRL Political Director **Karen Cross**. Also anticipated are visits from several political candidates.

Come prepared to be inspired, learn, and find valuable pro-life resources -- some for sale, some complimentary. A luncheon will be provided, and prizes drawn at random add to an already exciting day.

Teen Activities

Former Delegate Riley Keaton and WVFL Legislative Director Sadie Keaton will host a Teens' Day Camp, their own convention separate from the adults, for parts of the day.

Randy Meadows was presented with the 2025 Angel of the Year Award at last year's convention by Lacey Evans.

Who will be the 2026 Angel?

Keynote Speaker

STEVEN MOSHER is an internationally-recognized authority on China and population issues, as well as an acclaimed author and speaker. He has worked

tirelessly since 1979 to fight coercive population control programs. Steven has appeared numerous times before Congress as an expert in world population, China, and human rights abuses. He has also made TV appearances on numerous programs, including Good Morning America, 60 Minutes, The Today Show, 20/20, FOX and CNN news. His prolific writings have been published in such places as The Wall Street Journal and Reader's Digest, and include a best-seller entitled "A Mother's Ordeal: One Woman's Fight Against China's One-Child Policy."

MARY H. TILLMAN,

She has been active in the right to life movement for nearly three decades, serving on the board of Life Choice PRC; as President for the Harrison County Chapter of WVFL; and as Vice President for WVFL. She is currently the Legislative Coordinator for the WV Alliance for Ethical Health Care, a subcommittee of WVFL, which seeks to change laws and policies to protect the lives of elderly and disabled persons.

KAREN CROSS

has successfully lobbied to pass numerous pro-life laws, including West Virginia's 2022 Unborn Child Protection Act, and was NRL's longest-serving political director. She now serves as an at-large member on the board of NRL, and an at-large member on WVFL's Board.
